Dear Miss Manley:

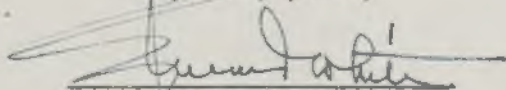

I have your letter of the 23rd inst., wherein you state it would be impossible to discuss plans for a benefit base ball game for the Urban League, through the mail.

I heartily agree with your suggestion and also take note that I should contact you at your office on an appointed date.

Although the hours from 6:00 to 8:00 P.M. are more suitable to my working schedule, I will call at your office Saturday, July 1, 1939 if you find it an impossibility to see me between 6:00 and 8:00 P.M., Thursday or Friday of this week.

Thanking you, I remain,

Very truly yours,

EDWARD WHITE
